EDUCATION

University of Guelph   Guelph, ON, Canada
Bachelor's of Computing, Computer Science (Co-op)   2020 - 2025 (expected)

SKILLS

Languages:	JavaScript, Java, Python, C, HTML/CSS
Frameworks/Libraries:	React.js, Node.js, Express.js, Socket.io, MongoDB, Bootstrap
Development Tools:	Version Control (Git, Github, Gitlab), Netlify, Heroku, Unix/Linux

PROJECTS

Todo List (2021) *Node.js, React.js, MongoDB, Express.js, HTML/CSS, Heroku*
https://maneeshs-todo-list.herokuapp.com/

- Created a personal todo list application using the MERN stack which provides a clean interface and CRUD capabilities
- Learned more about how to use databases to store information and how to create endpoints which can manipulate data sets

Real Time Chat App (2021) *JavaScript, Node.js, Express.js, Socket.io, HTML/CSS, Heroku*
https://maneeshs-chat-app.herokuapp.com/

- Developed a real time chat application using Socket.io which led to learning more about websockets and how they talk to the server
- Implemented an Express server to assist in deploying the web app onto heroku where multiple users can connect using one url

Reduction (2021) *JavaScript, HTML/CSS*
https://github.com/ManeeshWije/Reduction

- Programmed a minimal new tab chrome extension that provides an aesthetically pleasing chrome experience and is now maintaining a 5 star review with 10+ users
- Utilized the Unsplash API, Quotable API, Darksky API, and then parsed/displayed the information to the user in a prettified manner

Twitter Like Bot (2020) *Python, Selenium WebDriver*
https://github.com/ManeeshWije/twitterLikeBot

- Created a bot which will hands-free, open a browser, log into your twitter account, and start liking tweets specified by a keyword
- Implemented Selenium WebDriver to automate browser actions such as opening, clicking, and searching by manipulating DOM elements in the browser

WORK EXPERIENCE

Canadian Tire   Milton, ON
Auto Parts Sales Associate   2018 - Present

- Collaborated with managers and co-workers in order to bring sales success to the department by suggesting new ideas for advertising and brand attraction
- Educated customers and co-workers on all automotive needs as well as troubleshooted different solutions with customers automotive issues

EXTRA-CURRICULAR & AWARDS

Guelph Coding Club   Guelph, ON
Member   2021 - Present

- Participating in different coding challenges to further polish technical skills
- Attending talks/discussions related to programming technologies and practices

Scholarship   Guelph, ON
                                                                                 2020
$3500 entrance scholarship to the University of Guelph for an 89% admission average
